# Chapter 5 Apply

## Building Your Portfolio Activity

As we have been discussing ways to build your professional content and portfolio, you will have the opportunity to complete a certification through LinkedIn Learning.

This certification can be added to your LinkedIn profile, and you will also receive a printable certificate of completion.

NOTE: To have your certification appear on your LinkedIn profile, you will need to connect your LinkedIn Learning account to your personal LinkedIn account. This is not required to receive credit for the assignment.

## Instructions

1. Go to LinkedIn Learning homepage and click on Sign In.
2. Use your BYU Pathway email.
3. Connect your personal LinkedIn account (Optional).
